

Common Application Form (CAF)

- Allows students to apply to **2000+ partner colleges** using a **single, unified form**, making the application process faster and simpler (apply within 5 minutes).
- Enables management of application submissions through *My Profile*.

College Discovery & Comparative Tools

- Search and explore from **colleges** across India—filter by field, exam, fees, location, and more.
- Access relevant information on **colleges, entrance exams, deadlines, fees, cut-offs, exam patterns**, and other key details

Payment Integration

- Application fee payment gateway (Razorpay, Stripe, PayPal, etc.).
- Receipt generation after successful payment.
- Refund/cancellation policy section

Application Tracking

- Student dashboard showing:
 - Application status: *Submitted* → *Under Review* → *Accepted/Rejected*.
 - Notifications/alerts (email/SMS).
- Unique Application ID for tracking.

Communication System

- Automated emails on submission, payment, approval/rejection.
- Option for staff to send custom notifications.
- Chat/helpdesk integration (optional).

Additional Features (Optional but Useful)

- **Merit List Generation** (based on marks/criteria).
- **Counseling & Seat Allotment** system.
- **Online Interview Scheduling** (if required).
- **Mobile Responsiveness** (very important).
- **Accessibility & Multilingual Support** (for wider reach).
- **Analytics Dashboard** (application stats, course popularity, demographics)

Admin Side

- **Admin Login & Dashboard**
 - Secure login for staff
 - Overview of total applications, pending, accepted, rejected
- **Application Management**
 - View, filter, and search student applications
 - Download applications in PDF/Excel
 - Bulk status updates (Accept/Reject/Waitlist)
- **Document Verification**
 - Access uploaded documents
 - Mark as verified/not verified
- **Fee Management**
 - Track payments
 - Generate financial reports
- **Communication Tools**
 - Send emails/SMS to applicants (custom or bulk)
 - Automated acceptance/rejection letters

Support & Communication

- **Helpdesk/Chat Support**
 - Live chat with support staff.
 - AI chatbot for FAQs (deadlines, required docs, fees).
- **Ticketing System**
 - Students can raise support tickets.
 - Track ticket status.
- **Announcements**
 - Notices for deadlines, entrance exam dates, admission updates.
